

We can't thank you enough for all your help and guidance along the way – we definitely could not have done this without you and your team. Your insights were spot on throughout, and we really appreciated your patience with us through all of our questions and the back and forth. As we told Ben yesterday at the settlement, you and your team were definitely the best part of the whole process – so thank you!

Speaking of Ben, we can't express enough how great we thought he was throughout the process as well. He was great as we paraded all of our contractors through the place, and was extremely patient with us time and time again – so we wanted to make sure you knew how much we appreciated him on our end.
