

As another first-time home buyer, I was clueless as to the DC market and the process involved in buying a place. Rachel was infinitely patient with me (I was admittedly not the easiest client) and her deep knowledge of the housing market was most helpful. I didn't really know what I wanted, but after showing me two properties and speaking extensively with me, she found me the ideal place on the third try. Rachel explained and assisted with the mountain of paperwork that comes with a sale. I can honestly say that I would not be in my present condo if it had not been for Rachel. She is the best.
