

My wife and I were very nervous about selling our first place. Rachel Valentino and her team came very highly recommended, so we chose them. From the beginning, we were impressed with how much Rachel understood the market. Our sale went fast with the help of all of their suggestions. It was only on the market for a couple of days, and we moved away so quickly that I don't think I got to thank them properly for all their hard work. I hope they read this. Thanks Ben, Maria, Mike, and (especially) Rachel! One of the best thing you can look for in a real estate agent is experience, and Rachel and her team will impress you with that from the beginning. My wife wanted me to add how much she appreciated how quickly Rachel would respond to ALL her emails.
