

2/18/09

Thank you Rachel for making this dream of home ownership a reality. The journey was long and with many hurdles but you did not give up on me. At times, I became frustrated, but you never took it personal. Instead, you were very professional. You kept me informed and you gave me encouraging words to help me to keep the faith. Your thoroughness & commitment to your profession makes you the great professional you are. Thank you again & keep up the great work!

Rosalind Noreiga (1st time homebuyer. Bought foreclosure in Lanham, MD)
